

ATTENTION LANDLORDS

Appalachian Foothills Housing Agency, Inc. (AFHA) is looking for landlords with rental units in Greenup, Carter and Elliott counties to participate in the HUD Section 8 Housing Voucher program. The Housing Voucher program is a tenant-based rental assistance program aimed to assist families who are very low income with their housing costs on a private rental unit.

Effective July 1, 2021, AFHA will offer an incentive to landlords; we will pay the landlord an additional two month's contract rent if a landlord enters a new lease with a participant in our rental assistance program. This incentive will expire December 31, 2021 OR when the funds run out.
